February 4, 2005

Steve Curti, FTIP Coordinator
Caltrans, District 6
Advance Planning and Programming
1352 W. Olive
PO Box 12616
Fresno, CA 93778-2616

Dear Mr. Curti:

Tulare County Association of Governments approves the following Amendment to the Federal Transportation Improvement Program. The following Amendment will be known as Amendment No. 5 to the 2004 FTIP amending the HBRR, Safe Routes to Schools, FTA 5311, FTA 5307, HR 2299 (Farm to Market Special Legislation), and TEA 21 Statute 1494 (Farm to Market Line Item).

"The project(s) included in the FTIP by this amendment has/have been demonstrated to satisfy the requirements of 40 CFR 93.118 and 93.119 without a new regional emissions analysis in accordance with the provisions of 40 CFR 93.122(e)(2)(ii). Accordingly, the Project(s) has/have been included in the regional emissions analysis of the Regional Transportation plan's regional emissions at the time of the transportation plan's conformity determination, and that the design concept, scope, and implementation schedule of the project(s) is/are not significantly different from that described in the transportation plan. In addition, the funding of the project(s) will not delay the implementation of projects in the metropolitan transportation plan or FTIP."

Amendment No 5 (Formal)

On November 22, 2004, Caltrans issued a revised list of HBRR and Seismic retrofit projects. The revised list of projects is required to be adopted into the Federal Transportation Improvement Program. TCAG received from Tulare County the request to add the Safe Routes to School project as funded through federal and local funds. FTA 5311 program of projects is being modified to reduce the City of Woodlake's bus request from 2 diesel buses to 1 diesel bus as originally requested by the City of Woodlake. TCAG staff has revised the number of passengers' capacity of the vans originally requested by the City of Porterville. *The County of Tulare has requested an update and the inclusion of the Farm to Market roads into the 2004 FTIP. Special legislation of HR 2299 and TEA 21 Statute 1484 originally provided the funding for the projects.* TCAG staff is requesting that the TCAG Board approve an Amendment to the 2004 Tulare County FTIP to include the individual projects as defined in the November 22, 2004 correspondence.
